THE SUNNIEST PLACE
TO CELEBRATE!

2026

About Lucia

Inspired by the eternal glow of sunshine, Lucia is set to light up Marbella, Spain in Spring 2026. Crafted by the creative minds behind Nikki Beach Hospitality Group – champions of celebration on the Costa del Sol and beyond for over two decades – this bright new destination will be the second iteration of the concept, following the launch of Lucia Cannes in the Spring of 2024. Lucia is a celebration of the extravagant, a beachfront restaurant, bar, and beach dressed in a vibrant ensemble of colors, patterns, and a rich tapestry of textures.

Like a DJ's evolving setlist, the menu will groove with the changing seasons, offering an ever-changing array of creative Mediterranean fare. Dishes will focus on Cuisine Du Soleil, featuring ingredients that have been kissed by the sun itself.

Derived from the Latin "lux," signifying all things light and bright, Lucia transcends languages and borders, radiating enlightenment, charm, and a touch of magic. By embracing the different phases of sunlight, this culinary gem offers an experience that evolves throughout the day, promising an atmosphere that shines from dawn to dusk.

Why Lucia?

Lucia is not just a place to savor exquisite Mediterranean cuisine; it is a canvas where events are masterfully crafted. With a team of skilled event planners and entertainment experts, Lucia breathes life into celebrations, gatherings, and moments of joy. From intimate birthday lunches to grand corporate galas, every event is a masterpiece, meticulously crafted to captivate and amaze.

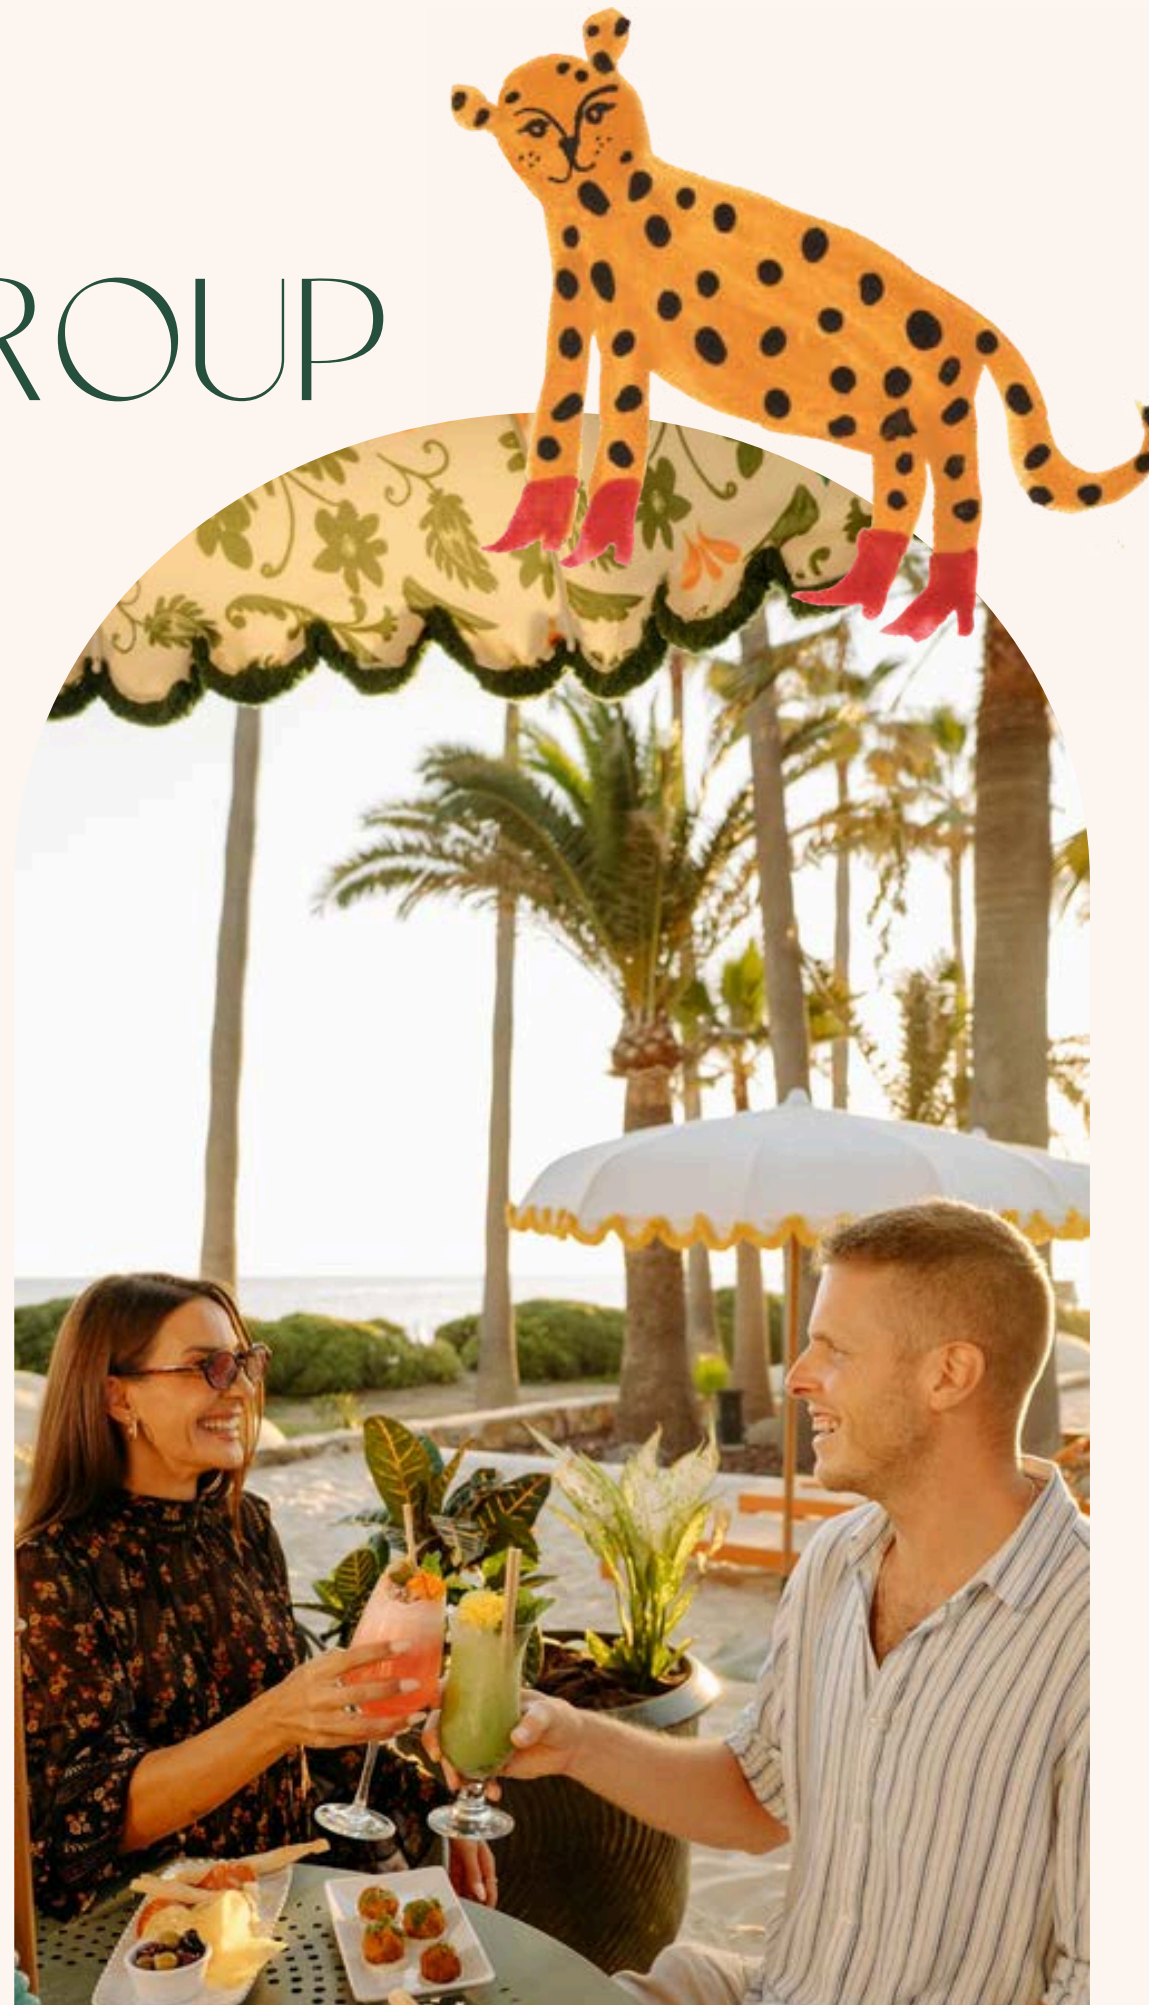

We take immense pride in curating a culinary journey that transcends expectations, especially for large groups seeking an extraordinary dining experience. Our menu is a tapestry of flavors inspired by the vibrant Mediterranean, crafted to bring people together, spark conversations, and create cherished memories. To complement our Cuisine du Soleil, our thoughtfully curated array of wines and cocktails elevates your experience with a touch of refinement.
